

Precision Crafted for Beautiful Performance

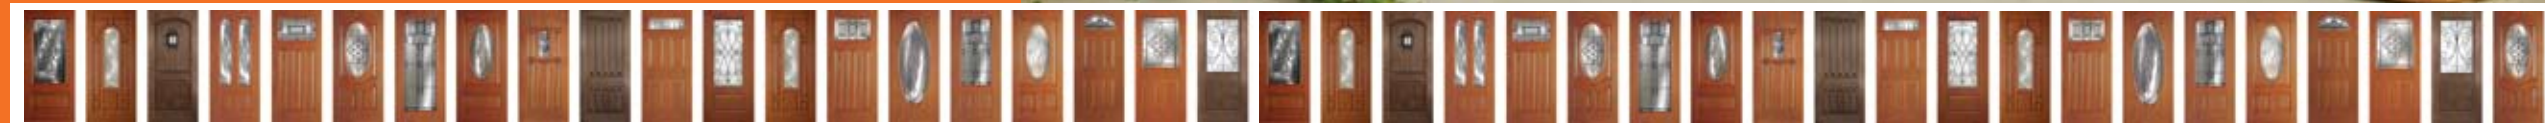

Bring timeless beauty to your entryway with Plastpro's Wrought Iron glass. Plastpro offers two distinctive designs available nowhere else: Camelia & Priscilla. Our Wrought Iron glass can be placed in our Rustic, True White Oak, Smooth Skin and Oak Grain fiberglass door collections. All of our doors feature our renowned Hydroshield Technology™ which seals and protects the door on all six sides preventing rotting and warping caused by water infiltration.

INTRODUCING Wrought Iron Doorlite Frames

This maintenance-free Wrought Iron doorlite frame resists rust and corrosion while working to keep cold out in the winter and heat out in the summer. Specially engineered to complement the range of cutouts in the Rustic Series, each individual frame is beautifully hand made and has a durable powder coat finish.
