Bring timeless beauty to your entryway with Plastpro's Wrought Iron doorlite and authentic Wrought Iron Frame. Plastpro offers two distinctive designs available nowhere else: Camelia & Priscilla. This maintenance-free Wrought Iron doorlite frame resists rust and corrosion while working to keep cold out in the winter and heat out in the summer. Specially engineered to complement the range of cutouts in the Rustic Series, each individual frame is beautifully hand made and has a durable powder coat finish.
